### VOYAGES

Voyages . . . what can express the meaning

Are they found in time and space

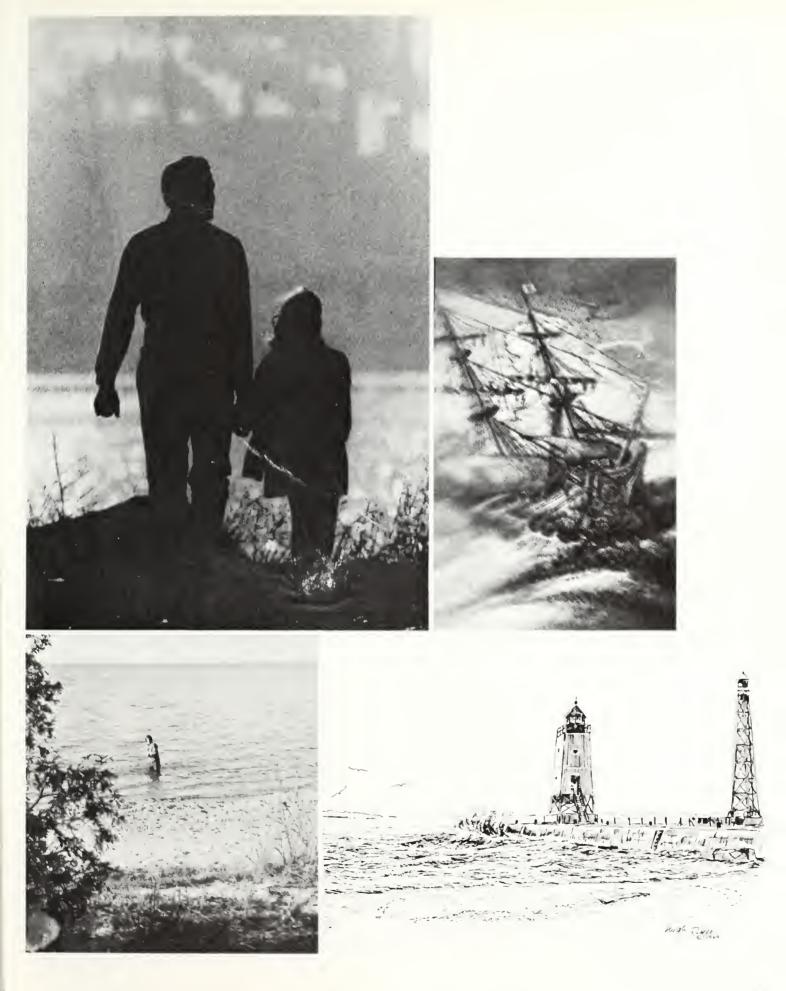

Or do they generate from books and knowledge

Can they be memories of years gone by

And times not to be forgotten ...

No, Voyages are what we make them.

When I can look life in the eyes, grown calm and very coldly wise, life will have given me truth, and taken in exchange my youth — Sara Teasdale

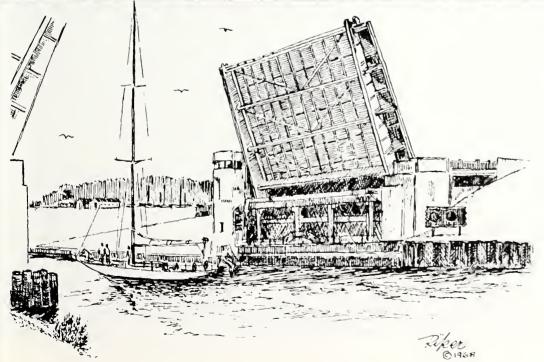

We have our draw backs, but come let us explore.

To those who are no longer children, I leave, the knowledge of a rare world

Real education must ultimately be limited to men who insist on knowing the rest is mere sheep-herding.

Ezra Pound

Eternity is thrust upon a bit of earth, a senseless stone. A grain of dust, a casual clod receives the greatest gift from God.

Louis Untermeyer

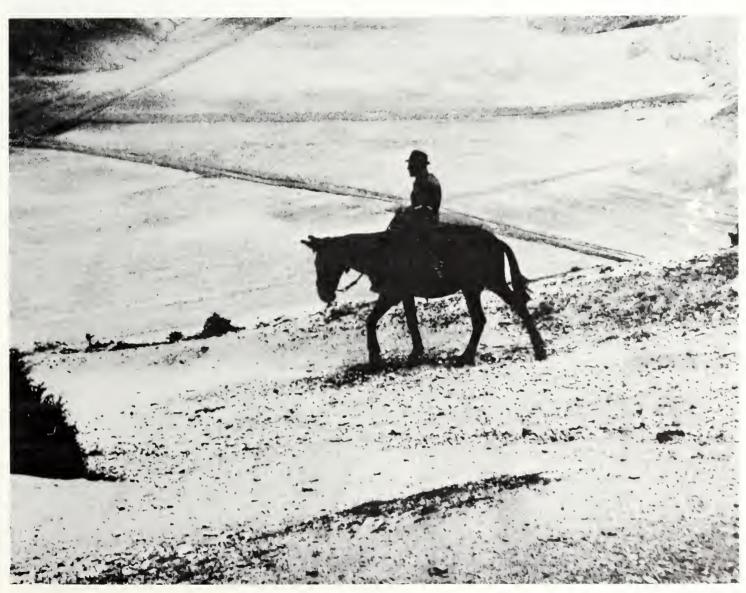

Memory is the diary we all carry with us.

## Senior Trip To Cedar Point

Bright and early, like about 5 A.M., or May 27, the Seniors boarded the buses to leave on their Senior Trip to Cedar Point, Ohio. It was about an eight hour trip to the Hotel Breakers where they stayed. That afternoon and evening was spent looking around the park. The next morning, they were turned loose with tickets to get their stamps and strings to get them on all the rides free.

At 5 P.M. the same afternoon, they again boarded the buses for the long trip home. It was a long trip in such a short time, but well worth it as everyone will agree.

Thank you to the school board and Mr. Miller for your permission for the trip.

# ... To Do All Which May Achieve And Cherish ...

The 1971 graduation exercises began June 6 with Baccalaureate being held in the high school gymnasium. Guest speaker for the evening was the Rev. Robert Rutledge speaking on "Committed". The following Tuesday the Seniors took their last final walk down the gym floor for Commencement exercises. Dr. Ronald S. Strolle of Northern Michigan University spoke to the students on "Achieving Your Potential." The highlight of the evening as usual, however, was that crossing of the platform to receive the diploma signifying the end of twelve years of education. Each now will go on to his or her own future hopefully a little bit better prepared because of those twelve years.

# Youth For Understanding

Youth for Understanding provides an opportunity for students of the United States to visit lands other than their own, as well as inviting foreign students to our country. Students from our school who went abroad last summer were Shelley Szudzik to the Netherlands, Trudi Goldstick to Brazil, Peggy Rader to Argentina, and Elizabeth Currie to Paraguay. Charlevoix was also priviledged to entertain several foreign students during our school year.

Two, Maria Pizarro, from Chile and Berta Greif from Brazil, arrived in time to spend the second semester with us. Tuire "Tippy" Savinainen from Finland and Harm VerBeek from the Netherlands arrived during August and spent the entire year with us. Through the Y.F.U. program, all of these students have enlarged their perception of the world and themselves.

#### Juniors . . . From Milkshakes To Prom

In order to make the Jr./Sr. Prom a success, the Junior class led by the officers, took on several money-making projects, including bake sales and dances. The largest of these projects was the milkshake machine, which proved popular with the student body and at basketball games.

Homecoming 1970

Queen Marcia Brown - Escort Jim Wilson, Sherry Austin - Howard Otis, Beth Inman - Rod Slone, Kris Osterberg - Dick Bogart, Nancy Fochtman - Gary Forbrig.

TOP - The Rayders aren't a Draggin'. MIDDLE LEFT - And the band played on, and on, and on. . . . MIDDLE RIGHT - Some of our Cheerleaders - Sherry Westenbroek, Laurie Engstrom, and Lisa Wasoski. BOTTOM - On your mark, get set, go!

The 1970 Homecoming began with the traditional snakedance and bonfire, which, with the help of cheerleaders and band, generated enthusiasm and anticipation of the students for the forthcoming events.

After the exciting, close, and wet game, music provided by The Steinsmen set the scene for a traditional dance honoring Queen Marcia and her court.

The uniqueness of the floats and excitement of the decision all made it an event that will be remembered for years to come.

TOP LEFT - Will the real queen please step forward.
MIDDLE LEFT - Damp bodies, but high hopes.
MIDDLE RIGHT - And the war goes on.
BOTTOM LEFT - I wonder what they're watching down there?

Crowning by 1969 Queen Jackie Warner. Presentation of flowers by co-captains Bruce Meggison and Kevin Swanson.

Homecoming came to an end with "The Steinsmen" playing at the Dance. Our Queen and everyone else seemed to have a good time even though there were a few distractions and at least one attraction.

### The Morp ...

It started out strange when the girls asked the boys; it got wierder yet when everyone wore the craziest clothes they could find. Presiding over this insanity were Gink Terry Elginga and Neeuq Laurie Engstrom. What was it? The Pep Club's Morp, of course! December 12, 1970.

BOTTOM-They get a little desperate around here!! BOTTOM RIGHT-Talk about a liberal dress code.

#### Students Win Honors

Many students of C.H.S. were honored this year through special awards. Some were: N. Ballard, S. Kayner, and D. Smith-Operation: Bentley; N. Henley, B. Carey, B. Cudd, R. Crain, C. Borths, and J. ### A Midsummer Night's Dream Prom 1971

Now fair Hippolyta, our nuptial hour draws on apace . . .

On May 17, following the footsteps of the Seniors, the Juniors held the Prom at the beautiful Shanty Creek Lodge near Bellaire. It was a long way from home but well worth the miles.

The Juniors chose the James Bradley Rewue from Bay City to play for what was truly "A Midsummer Night's Dream".

I woo'd thee with my sword . . .

Fear not, my lord: your servant shall do so.

"Sweet moon, I thank thee for thy sunny beams."

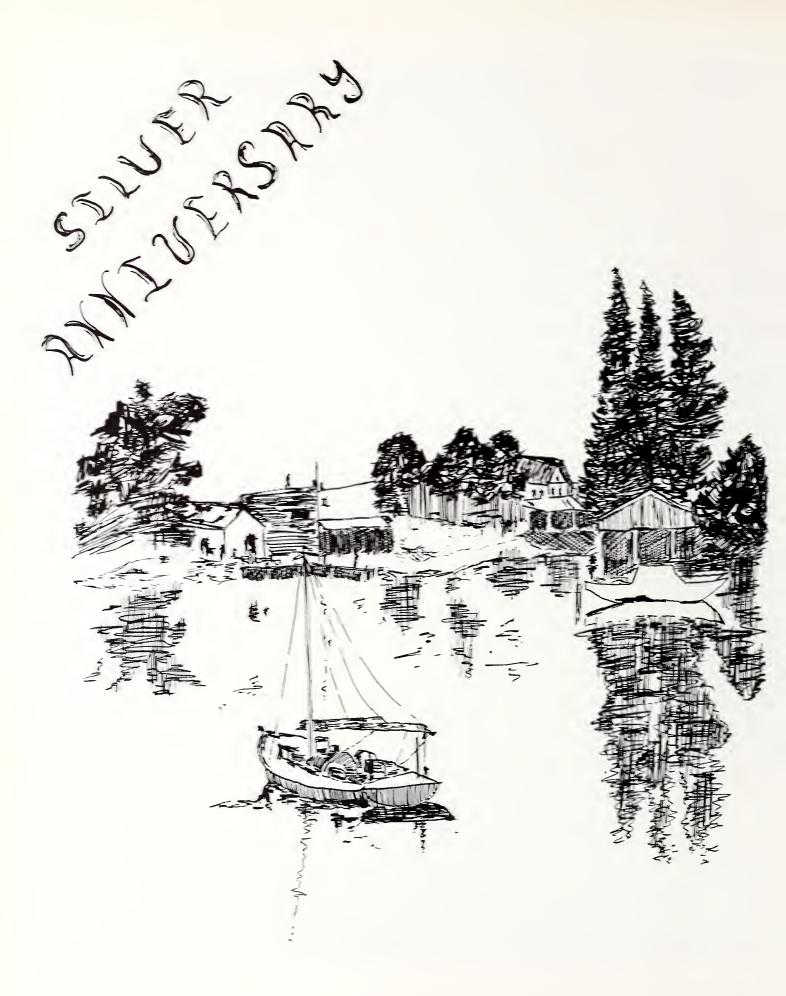

Give me your hands, if we be friends, and robin shall restore amends.

We wish to express our deepest thanks and appreciation to C. A. Odmark for his years of service and dedication which have produced one of the finest high school bands in the north.

### Marching Band Steps Out

This year, for the first time, the CHS Marching Band was under the direction of Gary Stutzman. This new influence, along with the band's officers-Diane Klooster, treasurer, Sandy Way, secretary, Beth Inman, president, and Jim Wilson, student director, and our fine majorettes Sue Pettis, Marcia Brown, Head Majorette, Debby Bartlett, and Diane Klooster helped to strengthen and improve our promising musicians and bring about a greater degree of school spirit.

#### Silver Anniversary Concerts

On May 21 and 22, concerts were presented to mark 25 years of dedicated service to Charlevoix High School by Mr. Clarence A. Odmark. At this time, the Band Room was dedicated to him by Mrs. Donald Brown on behalf of the School Board and the Band Boosters. Also, many of his colleagues gave short speeches about him.

Mr. Odmark was presented gifts from the Seniors in the band, both High School Bands, the Charlevoix Band

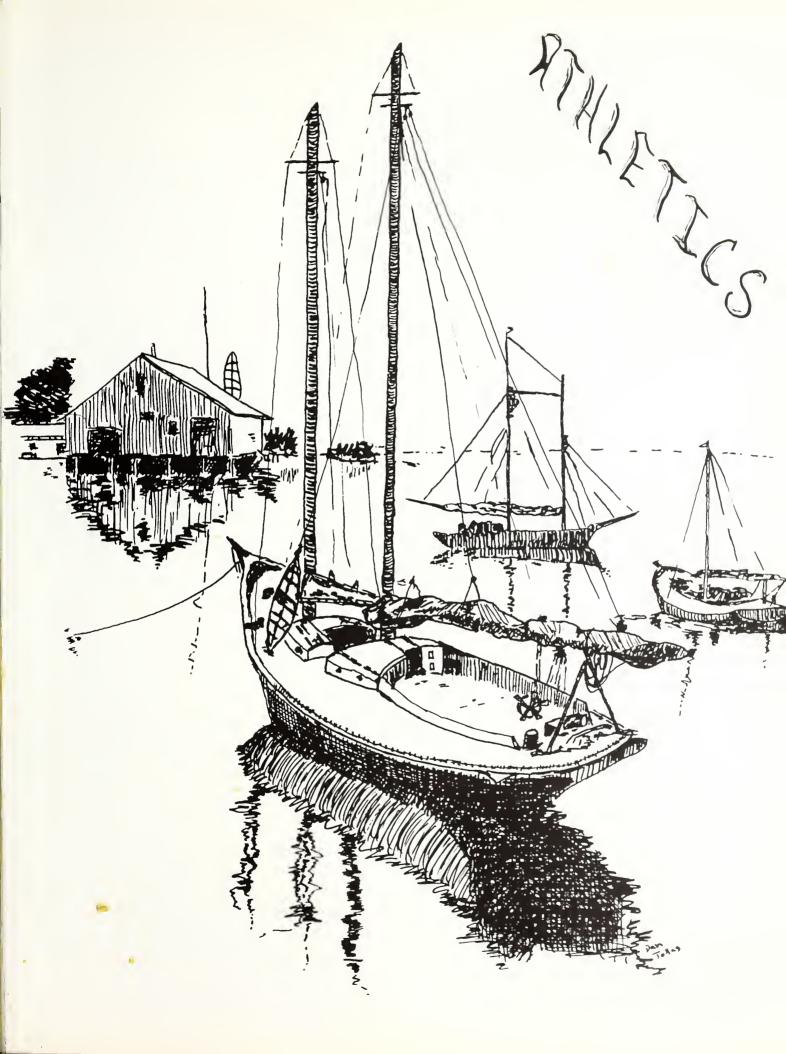

Boosters and many other organizations.

The event was climaxed by several alumni joining with the Symphony Band for the playing of the traditional "Stars and Stripes Forever".

#### Pure Spirit!

We wish to thank our Varsity Cheerleaders for this year for the enthusiasm they helped to generate for our Rayders. What would we have done without them? They were: Annette Hansen, Kris Osterberg, Sherry Austin, Kay Fiedorek, and Laurie Engstrom.

#### J.V's And Freshmen ...

## Spirit A Plenty

Maintaining the pep and spirit of the home crowd throughout the game is a special job delegated to those who have best displayed the ability for this sometimes difficult task. Our thanks go to J. V. Cheerleaders Nita Martin, Kit Lieberman, Sherry Westenbroek, Lisa Wasoski, and Elaine Carr and to Freshman Cheerleaders Peggy Carey, Teri Brown, Barb Gill, and Debbie Bresnehan for the vigor they helped to sustain during the Football and Basketball seasons.

## Drive And Determination Mark The Rayder Football Season

The year began with optimism, enthusiasm, and two encouraging wins, one each over Alpena and Petoskey. However, after a hard fought battle with Rodgers City, which ended in a tie, and a loss to Cheboygan at Homecoming, Charlevoix managed only one more win, over Gaylord. The season concluded with a tie with Traverse City and losses to Boyne City and St. Ingace, for a season record of 3-3-2.

Never one to be left behind for long, C. H. S. this year sponsored something new to the students of our school; Varsity and Jr. Varsity GIRLS' Basketball. Under the leadership of Coach Toni King, the two teams practiced with evident enthusiasm and worked hard to make the venture successful. Although not a member of a league this year, the teams traded games with Central Lake and Chebovgan, and with the women faculty of the Middle School. Once established in the league next season, it is hoped the potential shown this year can be more fully developed and bring honors home to C.H.S.

This year's golf team was the largest since it first became a competitive sport. The boys met the game with enthusiasm and skill holding their own throughout the short season.

FRONT ROW: R. Woods, J. Lachman. SECOND ROW: P. Klooster, R. Crain, G. Skeel, B. Cudd, J. Dyksterhouse. THIRD ROW: T. Bradley, J. Russell, D. Crain, R. Faust, N. Henley, B. Carey.

#### Sports Awards

Ski Team Medal Winners-Gretchen Clson and Tom Bergmann. All Conference Football-Lawy Power, Bill Carey, Hevin Swanson. Dave Foothman, and Bruce Meggison. All Conference Baskethall-Bill Carey and Bruce Meggison.

#### Student Council Charts Change

With President Kay Fiedorek and Vice-President Bruce Meggison at the helm, the C.H.S. Student Council set bravely forth to chart a course of change for 1970-71. The most impressive of these changes involves the new relaxed dress code, and the long awaited installation of a pop machine in the cafeteria. In addition to their regular duties of approving class and club activities, they also sponsored Homecoming, and rewrote the School Constitution. This new constitution paves the way for better student representation and an even more effective council for next year. Members of this year's council are: Senior Representatives Beth Inman (who also served as Secretary-Treasurer) and Terry E1zinga; Jill Warner (Junior), Connie Crain (Freshman), Lisa Wasoski (Sophomore), Kay Fiedorek, (President), Fred Davison (Junior), and Dan Austin (Freshman). Missing from picture: Bruce Meggison (Vice-President), and Steve Kantola (Sophomore).

#### Snowmobile Club ...

### Winter Pastime Becomes New Organization

Northern Michigan has always been known for it's winter sports and since the advent of the snowbomile, large groups of young and old have enthusiastically included it among their past times. This year, C. H. S. snowmobile enthusiasts banded together to form a new club for fun in the snow.

# G.A.A. . . . . Emphasis On Activity

The Girls' Athletic Association was formed at C.H.S. for the first time this year under the leadership of Mrs. Osterberg and Annette Hansen, president; Denise Wagner, vice-president; Ann Carey, secretary; Bobbie Sladek, treasurer.

They had many activities such as bowling, basketball, track, and volleyball. The volleyball team that competed with other schools is pictured at left. They are; M. Mosoryak, P. Parsel, D. Warner, K. Lieberman, M. Dixon, L. Herzog, D. Peters, D. Wagner, K. Whitley.

#### Rayder & Crimson Flash

Each and every student has the right to be informed of the activities and events which occur during the school year. It is the duty of the Crimson Flash and Rayder Staffs to provide the students with such information. Each publication has it's own function but both are a communication tool for the express purpose of recording and informing the students of CHS.

#### Spanish Club ...

#### South of the Border at C.H.S.

### S.L.A.A.M. . . . aides to adventure

The members of the Student Librarian's Assistants Association of Michigan, better known as SLAAM, were again on duty in the C.H.S. library during 1970-71. Each girl, working a minimum of one hour a day, helped Mrs. Mudge keep the library running smoothly. Aside from the regular meetings, members also attended the Fall and Spring Regional meetings, and sold popcorn at the home basketball games to raise money for the State SLAAM meeting held in Ann Arbor during April, which 13 members attended. Members are: N. Ballard, reporter, K. Dubey, M. May, secretary, M. Borths, M. May, S. Kayner, vice-president, E. Currie, president, M. Dixon, treasurer, R. Donaldson, T. Schantz, historian, B. Novotny, R. Browe.

# Debate/Forensics Determination The Deciding Factor

From blinding snowstorms to top-notch competitors, the 1970-71 Debate/Forensics team definitely let everyone know they were out to achieve success. From November through February, the Debate team compiled an impressive record of victories, including a plaque from the Detroit Free Press for a 75% win record during league competition, and first place in the league district tournament. The Forensics team also accomplished a good deal, including first place in Serious by Barb Herzog at AuGres-Sims.

To bring home such honors to C.H.S., long, hard hours of dedicated effort was necessary on the part of both students and coach. Placing third in Humorous at the Regionals, Sherry Austin became the first C.H.S. student to compete in the State Forensics Finals in Ann Arbor. Cathi Baldwin, a third year member of the team, this year helped to take the Debate team into the final round of the Regionals at C.M.U. Also, Special Thanks to Mrs. Ford, whose patient devotion and countless hours of work were the largest contributing factors to the team's continued success.

## Taming Of The Shrew

One of the activities involved with Debate-Forensics is the production of a one act play for competition. This year's entry was "The Taming of the Shrew" by Shakespear which brought home an excellence award for Sherry Austin.

#### An Evening Of One-Acts

#### "The Importance Of Being Earnest"

For the second year in a row the CHS Forensic Team put together a series of one-acts. The program is a money raising project and hopefully acquaints the community with one of the various aspects of public speaking and performing arts in which the students are involved.

We didn't see too much of these people this year. However, they were nevertheless working very hard to keep C. H. S. running smoothly. Our thanks go to all of them and to the Board of Education and Mr. Miller for their approval of a Senior Trip outside of the state. Members of the Board of Education this year were: President Jerrald Redeker, Secretary Mrs. Robert Hooper, Clement Wagwagner, Jack Rader, Mrs. Robert Lieberman, Burr Blanchard, and Richard Donaldson. We sincerely thank them for their time and energy.

#### Working Hard To Keep C.H.S. Running Smoothly

There are many hidden factors in the operation and running of a high school. Those people who perform the many everyday acts we rarely find out about, are actually the only ones who understand how complex this job can be at times. Vane Smith has played many roles to us besides that of Principal, including counselor and teacher. In trying to keep the 400 plus occupants of C. H. S. in line as well as dealing with administrative problems, he has endeavored to run our school with a firm but fair and understanding hand.

One person who understands this better than most is Mrs. Joanne Grubaugh. With the aid of office assistants Sandy Cellner and Terri Wood, Mrs. Grubaugh has solve many problems we've brought to her in our year at C.H.S., as well as handling the mountains of paperwork which always seem to accrue in the office.

To these people who have helped us during our school years, we would like to say Thankyou.

#### Perpetuating Enlightenment

Armed with the resources of the C.H.S. counseling center, Dr. William Ratigan strives to help our students reach a solid comprehension of their abilities and goals. As well as administering multitudes of standardized tests to underclassmen, he is also available to all students who need advice, on any matter from college to careers.

With the help of assistants Mrs. Marguerite Currie and Mrs. Maxine Bergman, our steadfast librarian, Mrs. Joy Mudge stands ever ready to stem the flow of demands showered upon her by the students of C. H. S. From ordering materials for term papers to collecting overdue book fines, she never-the-less is sincere in her devotion to the library and her students.

#### Food . . . Health Services

Food services are performed by Marie Blissett and V. Wright undervarying conditions this year. Trying to find just what CHS students wanted for lunch seemed to be the stumbling block. Along with the Administration, the cooks gave CHS its first à la carte lunch. Mrs. Blissett was also awarded honors for her long service in food services this year.

Mrs. Jean Miles serves the Charleviox High School as school nurse, looking after all those aches and pains we seem to get on test days along with the real-live emergencies. Her efficiency and care are necessary in every school.

# Maintenance And Transportation

Schools must have teachers, administrators and students but they must also have maintenance and transportation personel to function smoothly. Probably the two most unsung and thankless jobs in the school system yet more than to those students and teachers who function within the high school walls. Thank you to those who cleaned our halls and got the busses through one of the worst winters in this schools history. The maintenance personal are: Mrs. Williams, Mr. Helms, Mr. Potter, Mr. Thomure.

Due to a breakdown of our camera we were unable to photograph the entire bus personel. They are however; Bud Heeres, M. Boss, M. Cudd, H. De-Young, A. Smith, A. Thorp, G. Wolgamott, B. Sladek, D. Russell, A. Bearss, J. Bearss, D. Boss.

We the Rayder staff wish to thank all those who assisted in making this a successful yearbook. An extra thanks must go to all those organizations and students who supplied us with those special activities pictures and the Charlevoix Courier for sports action shots which we were unable to obtain on our own. Official photographer for the 1971 Rayder was Luciano of Petoskey.
